- Operations

# Evolution

*Standing Joint Force Headquarters - Homeland Security*

## **Joint Force Headquarters - Homeland Security**

Directorate established Sep 01

Command established on 1 Feb 02

Transferred to NORTHCOR on 1 Oct 02

Serving proudly as the nation's only  
Standing Joint Force Headquarters for Homeland Security

# Mission Statement

**Standing Joint Force Headquarters - Homeland Security**

Standing Joint Force Headquarters - Homeland Security plans and conducts land and maritime operations to deter, prevent, and defeat threats and aggression aimed at the United States, its territories, and interests; and, when directed, provides military assistance to civil authorities.

# DOD Role in MACA/MSCA

Standing Joint Force Headquarters - Homeland Security

- ▶ DOD will be in support of a Lead Federal Agency (LFA)
  - FBI (DOJ) is the designated LFA for Crisis Management (Cause)
  - FEMA is the designated LFA for Consequence Management (CM) within CONUS (Effects)
  - Other Federal Agencies and Departments may be designated as LFA under certain circumstances
- ▶ *DOD will normally provide support only when other resources are unavailable, and only if such support does not interfere with its primary mission or ability to respond to operational contingencies.*
